

New and Renewing Mission Table Grant Request Form

¹⁸ And Jesus came to them and said, "All authority in heaven and on earth has been given to me. ¹⁹ Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, ²⁰ and teaching them to obey everything I have commanded you. And remember, I am with you always, to the end of the age." Matthew 28:18-20

The New and Renewing Mission Table (NRMT) exists to support congregational efforts at renewal and outreach (reaching people not currently connected to your congregational life and mission). The goal of your outreach effort should be a stronger witness to the gospel through increased participation in the life and mission of your congregation. Applications to the NRMT for financial support for projects should include the following.

Grant Recipient Responsibilities:

- Submit the requested application materials and respond to any NRMT requests for additional information.
- Follow the guidelines. Carry out the approved project and use synod grant funds within the time specified in the application unless a request for changes has been submitted and approved by the Advisory Committee in advance.
- Share your story. Submit stories (through written word, photos, and videos) documenting the project for use by the synod (synod may provide communication assistance).
 - For short-term projects, stories may be submitted after the project.
 - For longer projects, additional interim progress reports and stories will be required (specific guidelines will be provided once funding is approved).
- Provide an accounting. Provide a final accounting of the use of grant funds. Unused funds must be returned to the Metro D.C. Synod and will be used for later ministry grants.

If you have any questions, please contact the DEM, Lamar Bailey (202-417-3682), or NRMT chair, Kirstin Tannas (kirtannas@gmail.com).
